

The Presbyterian Church of Liberty Corner
Straight from Session...

The session met **once** in November 2009.

On November 16th the Session:

- Approved: minutes from the Deacons, PIM and Trustees; membership changes, and elected a commissioner for the Presbytery meeting in Fanwood on November 17, 2009.
- Received the clerk's report, the report on worship attendance in October and Sunday School attendance statistics.
- Reaffirmed their support for God's perfect design for marriage exclusively as the union between one man and one woman.
- Received and discussed Communications manager Patty Hunt's goals and vision for the communications ministry in 2010.
- Reviewed the current financial numbers through October. Income year to date is still behind budget by 7%. The elders reviewed a preliminary look at the 2010 budget.
- Approved a recommendation for prioritization of core ministries for resource allocation in 2010. They are: 1.) Worship 2.) Mission 3.) Student Life 4.) Children and Family 5.) Adult Spiritual Formation 6.) Care 7.) Fellowship
It is important to note that outreach, hospitality and communication are not separate ministries and are encompassed within each of the ministry categories as described. It is also important to emphasize that "Mission" as a ministry category, is not synonymous with "missional". Each of us and our ministries should be missional. The Mission ministry category includes both donation of funds and church-organized efforts toward goal mission to our community, country and world.
- Called a meeting of the Congregation on December 6, 2009 at the request of the Sr. Pastor Nominating Committee who announced the successful conclusion of their search for a new Sr. Pastor and their unanimous recommendation of a candidate. The candidate will preach at all three services on December 6 followed by a Congregational meeting to hear their report and act upon their recommendations.
