

The Presbyterian Church of Liberty Corner
Straight from Session...

The session met ***once*** in July 2010.

On July 26th the Session:

- Approved: minutes of the Congregation and Corporation meetings from June 13, 2010; and minutes from the Finance Team; approved a new Endowment Team member and membership changes.
- Received the clerk's report; the report of the approval of the Session minutes from 2008 and 2009 by the Elizabeth Presbytery and the report on worship attendance in June.
- Reviewed the financial numbers through June. Income is behind budget by about \$125K or 14% and behind last year actual giving by about \$55K; Expenses currently continue to be behind as well.
- Heard a report from Jim Brown, Facilities Team, on the recommendation of our attorney regarding the Site Plan application that is before the Bernards Twp. Board of Adjustment. Due to concerns that our application for a height variance and a lot coverage variance may not be approved, our attorney recommends that we withdraw the application until a time when we are closer to begin building. The Session decided to follow this advice and withdraw our application at this time. The elders will continue to discuss and pray about what our next steps are regarding the building plans as well as the decision about the property at 511 Lyons Rd.
- Approved a new Elder job description for use by Nominating and to help potential elders better understand their roles.
